

# **City of Racine 2015 Parking**

## **Utility Budget Highlights**

- Civic Center, Lake, Shoop, and Gaslight Ramps and Lot #5 to get new credit card pay stations
- Above to be operated, promoted and managed by a professional parking management firm
- Above to have entirely new revenue control software with expected 10% to 15% increase
- Reduction in City staff management and clerical costs assigned to parking management
- Surface Lot #5 to be redesigned and resurfaced as part of Pershing Drive project
- Sign technician duties now transferred to Parking Utility Budget
- Pay-by-phone technology for parking meters to be examined
