*Subject: Parking Restrictions*

The Racine Police Department has received complaints that the parking restrictions times surrounding several schools is incorrect. A correspondence was sent out to all Racine Unified School District (RUSD) schools located within the City. The purpose for this is to ensure the posted parking restrictions on roadways surrounding the schools correlate with start and release times at each school so parking enforcement initiatives can be effective and efficient.

McKinley, Park and SC Johnson requested changes to parking signage restrictions surrounding their schools.
