(2) If the licensee fails to appear for the formal expression of concern, the committee may refer the matter to the city attorney's office for consideration of further disciplinary action. (3) If the licensee appears for the formal expression of concern, no discussion of the alleged facts may be permitted unless the licensee requests such discussion and only after the licensee has been advised that any statements made by him or her and/or his or her representatives regarding the alleged underlying facts may be considered by the due process board in any subsequent suspension/revocation hearing which may result from the alleged violations which are the subject of the formal expression of concern. (b) Referral for disciplinary proceedings. (1) Any licensee who has been issued two formal expressions of concern within a six month period, or three or more formal expressions of concern within a one year period, shall be referred to the city attorney's office for consideration of further disciplinary proceedings as contemplated under section 6-26 of this Code. For purposes of this section, the date the committee votes to issue a formal expression of concern shall be the date used to calculate any time period prescribed.
