

Code Enforcement Grant

The Code Enforcement Grant Program shall have the following requirements:

- a. The maximum grant shall be \$1,500.00.
- b. Grants are made only to assist with repair or rehabilitation of conditions that have been ordered to be remedied by the Building Inspection Department or the Health Department.
- c. Eligibility is limited to households whose income is less than 30 percent of county median income (CMI) adjusted for household size.
- d. Eligibility is limited to one grant per property.

The Loan Board of Review shall review requests for code enforcement grants. In emergencies, when the Chief Building Inspector or Environmental Health Director determine that preservation of health or safety requires immediate action, the Director of City Development may authorize a code enforcement grant and shall report the decision to authorize the grant to the Board at its next meeting.
