1. GENERAL INFORMATION

This Request for Bid (RFB) is issued by the City of Racine City Parks, Recreation, & Cultural Services department for the purpose of obtaining bids for Janitorial Services for the following locations:

- Bryant Community Center
- Chavez Community Center
- Humble Community Center
- MLK Community Center
- Tyler-Domer Community Center
- Mound Cemetery Office
- Graceland Public Restroom
- Parks Service Center

This contract will be awarded to the lowest responsive, responsible bidder based upon the total base bid amount for an initial two-year term of January 2025 through December 2026 and may be extended for three (3) additional one-year terms providing both parties agree to the extensions under the condition that the price may be re-negotiated that all other terms, conditions, and specifications remain the same. Notification to the Owner of the desire to extend, including any price change request shall be given by the Contractor at least ninety (90) days before the contract expiration date.

The City reserves the right to accept or reject any or all bids or to waive any technicality that it deems to be in the best interest of the City. The City reserves the right to accept any or all parts of a bid that it deems to be in the best interest of the City. All financial and contractual commitments by the City are subject to the availability of funds as approved by the Common Council.

3. RACINE WORKS PROGRAM (RWP)

The "Racine Works Program (RWP)" is a preferential hiring program used by the City of Racine to help residents of the City gain access to employment opportunities on City construction or City funded projects. The Racine Works Program is designed to promote employment of City residents as part of a contractor's workforce on some City construction projects.

The City of Racine RWP procurement policy promotes the utilization of local workers and maximization of the economic impact of annual operating and capital project spending. Bidders and contractors shall satisfy the City of Racine Ordinance Section 46-41, if applicable.

4. REFERENCES

As a part of properly completing the bid/proposal, provide the names, addresses, phone numbers and contact persons for a minimum of two companies or municipalities for which the bidder/proposer has satisfactorily performed related work within the past five (5) years.

5. NOTICE TO PROPOSER

Proposers shall thoroughly review the Scope of Services defined in Section 6. This section indicates all anticipated services and work that is to be performed.

Proposers are reminded that changes to the RFB, in the form of addenda, are often issued between the issue date and within four (4) days before the closing of the RFB. Applicants are solely responsible for checking the DemandStar website to ensure that they have the most current information regarding the RFB.

6. SCOPE OF SERVICES

A. Background

These specifications are for custodial and cleaning services for Parks, Recreation and Cultural Services. The Contractor shall furnish all supervision, labor, materials, tools and equipment required to keep the above-mentioned areas neat, clean, and sanitary as described in the following specifications and work schedule, and to the satisfaction of the Director of Parks, Recreation and Cultural Services or Designee.

B. Definitions

1. Owner: City of Racine Parks, Recreation and Cultural Services, (PRCS). 800 Center Street, Room 127; Racine, Wisconsin 53403. Contractor will be provided a list of Owner representative/s for each building.
2. Contractor: Any individual, firm, partnership or corporation submitting a proposal to whom the contract is awarded by the Owner.
3. Base Hours Per Week: This shall be the minimum number of labor-hours, which the contractor shall perform in designated buildings for Routine Custodial Services. Cleaning schedule may require a split shift. The contractor will be required to supply as many labor-hours as necessary to provide the quality of service as covered by the specifications. Base hours are calculated as: *1 month equals 4.33 weeks*.
4. Routine Custodial Services: These items are shown in the contract as daily, semiweekly, weekly, biweekly, monthly, semi-annually and annual. Labor-hours spent on routine items are charged towards the base hours per week. These items are to be done as outlined in Appendix "A" and shall be included in Base Bid on the Bidder's Proposal.
5. Discretionary Hours: Labor hours assigned to specific Community Centers to be used at the Owner's discretion for custodial duties during normal building open hours.
6. Special Event: An event outside the normal building activities such as a rental for a wedding or family reunion; these events shall be billed separately.
7. Building Exterior & Grounds: Areas where trash and debris is to be picked up daily will include dumpster locations, parking areas, sidewalks and other areas within 30 feet of building perimeter.
8. Hand Height: All vertical and horizontal surfaces 70 inches and below.
9. Within Reach: The safe working height while working at the maximum safe working level of a standard 6 foot, OSHA approved ladder.

10. Materials Provided by Owner: Specific custodial consumable supplies and light bulbs provided by The City of Racine, as noted in Section 7.
11. Materials Provided by Contractor: All materials, equipment & tools needed to fulfill the requirements of this specification, except as noted in Section 7.
12. On-Call & 24 Hour Access: 24-hour call number for Owner Representatives and/or Contractor employees to call. The On - Call person must have authority to make decisions.
13. "Best Industry Practices:" A best industry practice is managerial and custodial techniques or methodology that, through experience and research, has proven to consistently lead to a desired result.

C. Locations:

The following buildings are included in this contract.

1. Dr. John Bryant Community Center, 601 – 21st Street – See Appendix "C"
2. Cesar Chavez Community Center, 2221 Douglas Avenue – See Appendix "D"
3. Humble Community Center, 2218 Blaine Avenue – See Appendix "E"
4. Dr. Martin Luther King Jr. Community Center, 1134 Dr. M.L. King Drive – See Appendix "F"
5. Tyler – Domer Community Center, 2301 – 12th Street – See Appendix "G"
6. Mound Cemetery Office, 1147 West Blvd – See Appendix "H"
7. Graceland Cemetery Public Restroom, 3547 Osbourne Blvd. – See Appendix "H"
8. Parks Service Center, 1420 13th Street – See Appendix "I"

D. Start of Work

The Contractor shall be able to start work on this contract after approval from Common Council.

E. Building Knowledge

The contractor is responsible for knowing each building, including floor types, wall types, ceiling heights and numbers of fixtures to be cleaned in each room. Specific minimum hours and cleaning needs for individual buildings are in the Appendices for the individual buildings. **It is advised that the bidder be familiar with the facilities on which they are bidding. These buildings are open to the public.**

F. Supervision

The contractor shall assign a cleaning supervisor to act as a liaison between the contractor's employees and the City's Community Center Supervisors. The cleaning supervisor shall oversee the operations of the work crews assigned to buildings. The cost for providing the cleaning supervisor shall be considered incidental to this contract and no additional compensation will be paid to the contractor for supervisory time necessary in carrying out these services. Supervisory time shall not be included in the minimum weekly cleaning hours assigned individual Community Centers. The Cleaning Supervisor will supervise the work of others, ensure that the jobs are completed to the satisfaction of the City and enforce the work rules, safety rules and security measures outlined in this contract. **The Cleaning Supervisor shall provide a 24-hour direct access phone number to all contractor employees and the Community Center Supervisors.**

G. Cleaning Supervisor Qualifications and Duties

Cleaning Supervisor shall have knowledge in custodial work in a commercial or athletic facility including wall, floor, and glass surface maintenance and shall be thoroughly acquainted with these specifications.

H. Work Rules: The Cleaning Supervisor shall enforce the following work rules:

1. Contractor shall post the following at each job site where all employees have access:

- a. Routine Custodial Task Schedule – Appendix “A”
- b. Inspection Check List – Appendix “B”
- c. Snow Removal & Trash Pick-up drawings

Note: Owner will provide laminated copies of drawings to selected contractor.

2. All employees must be a minimum of 18 years of age.
3. The contractor shall furnish the Community Center Supervisors with an up-to-date list of any contractor employee or subcontractor working in the building. The list shall show the name, address and date of birth, of each person.
4. Before any Contractor’s employees begin work, the Contractor shall provide background check documentation for all Contractors’ employees and subcontractors working in City buildings for the Community Center Supervisor for approval.
5. When substitute personnel are used, the cleaning supervisor must accompany and train the worker. Training time shall not be charged to Base Hours.
6. The City reserves the right to have any employee removed from any building.
7. Parking: Contractor’s personnel may use the parking lot at each location at the discretion of the Community Center Supervisor.
8. Safety: All applicable safety equipment, rules and procedures shall be used and/or followed.
9. Intoxicants & Disorderly Conduct: Personnel shall not bring intoxicating beverages or substances on to any City property.
 - a. Intoxication, practical jokes, or disorderly conduct will not be tolerated.
 - b. Community Center Supervisors can require any contractor personnel leave City property at any time.
10. Off-Limits Areas: Contractor’s personnel shall not be permitted in any areas except the areas covered by the contract.
11. Curiosity: Contractor’s personnel shall not investigate the contents of desks, drawer, cabinets, and closets. They shall not read or disturb notes or materials on desktops or cabinets. candy, facial tissues or other personal effects on desks shall not be used by Contractor’s personnel. Contractor personnel shall not use computers or adding machines on desktops.
12. Notification of Out of Ordinary Situations or Conditions: Personnel shall report abnormal conditions, such as defects in the lighting, plumbing, etc., to the Community Center Supervisor.
13. No Smoking: Smoking is not allowed at any time, in any City Building.
14. Identification of Personnel: The contractor shall supply each employee with a picture I.D. badge which must be always worn while working in the buildings. The badge shall contain a recent photo and the name of employee, job title and business and/or logo.
15. Work Crew: The Contractor shall have sufficient personnel available for training, competent and reliable personnel to satisfactorily perform all the work as outlined in the times specified. All work crew personnel shall be physically able to perform all tasks listed in these specifications.
16. Work Crew for Daily Routine: The contractor shall supply the base hours per week, at minimum, for the completion of the daily routine items as covered by these specifications. Contractor shall provide all hours necessary to complete routine cleaning.
17. Attendance: Contractor’s workers are expected to be at their assigned site on time for all daily and scheduled activities.
 - a. The Contractor must provide employees to fulfill all scheduled hours, no-shows will not be tolerated.
 - b. Cleaning Contractor must have a 24-hour person “on call” for all employees to access.
 - c. Contractor will be fined \$100 for each occurrence of a no-show for scheduled work. The fine will be deducted from the next billing cycle.
 - d. After two no-shows, the City shall give notice to the contractor as specified in Section 11(F) Termination.

- e. Contractor's employees shall be on site during the entire assigned work shift, except for the 30-minute unpaid lunch period.
- f. Any hours Contractor's employees are not on site, will be deducted from the next billing cycle at the rate that appears on the Bidder's Proposal, plus 15% administrative expenses.

I. Emergencies and Emergency Clean - up

Emergencies that require clean-up will be the responsibility of the Contractor. Once contacted, the Contractor must meet within 2 hours at the site to assess the situation and formulate an agreed upon clean-up plan. The duration of the emergency clean-up will be the time it is required to make the site safe and operational.

- a. All billing for emergencies shall be charged at the hourly rate on the Bidder's Proposal.
- b. All materials or equipment rentals shall be charged to the emergency billing. Owner will require documentation to support rental or materials cost with billing.

J. Holidays

Holidays that Community Centers are closed; no contract services are required. If listed holidays fall on weekends, they are generally observed on the weekday closest to the weekend day. Yearly holiday schedules will be provided to the Contractor by the Community Center Supervisor. There are twelve (12) holidays, and these days shall be designated by the City of Racine. Observed holidays are as follows:

- | | |
|---|-----------------------------|
| New Year's Day | |
| Martin Luther King, Jr. Day | Thanksgiving – Thursday |
| Spring Break Holiday- (AKA Good Friday) | Thanksgiving – Friday after |
| Memorial Day | Christmas Eve |
| Juneteenth Day | Christmas Day |
| July 4 th | New Year's Eve |
| Labor Day | |

K. Special Events

Contractor shall set-up and takedown tables, chairs, podiums, staging, temporary flooring or any other equipment or appliances as directed by the Community Center Supervisor. Time and dates for these tasks will be communicated by the Community Center Supervisor to the Cleaning Supervisor.

- a. Set-up, takedown, and clean-up will be separately billed on a per hour basis. Per hour cost shall be listed on the Bidder's Proposal.

L. Non – Special Events

Contractor shall set-up and takedown tables, chairs, podiums, staging, temporary flooring or any other equipment or appliances as directed by the Community Center Supervisor. Priority for these tasks will be assigned by the Community Center Supervisor.

M. Unscheduled Closings

If no work can be performed because of strikes, civil disturbances or an unscheduled closing resulting from an emergency and the custodial crews are unable to get into the building to perform their duties, the time shall be deducted from the contract and the City of Racine shall be credited for unused hours on the next billing.

N. Keys

Any keys issued by the Community Center Supervisor shall be returned upon request, key holder leaving employment or termination of contract. Contractor will pay all costs of rekeying the Community Center/s if keys are lost or not returned.

7. GENERAL MATERIALS

A. Materials Provided by Owner

The following materials will be provided by Community Center Supervisor. Cleaning Supervisor is responsible for informing Community Center Supervisor of status of inventory weekly and shall fill dispensers with provided materials, as needed.

- | | |
|------------------------|------------------------------|
| a. Toilet Paper | d. Ice Control Salt |
| b. Hand Towels | e. Light Bulbs |
| c. Soap for Dispensers | f. Gym floor cleaning agents |

B. Materials Provided by Contractor

The Contractor shall furnish all materials for its services, except as noted in Section 7(A):

1. Materials shall meet the approval of the Owner Representative.
2. Contractor shall not use or keep on the premises any materials which the Owner considers harmful or otherwise objectionable for use.
3. All materials shall be stored in their original container with original label clearly visible.
4. Bulk materials must be stored in containers "UL" approved for the purpose and must be clearly marked with "OSHA." approved labels.
5. Contractor shall provide any OSHA required containment devices for contractor provided materials.
6. Any materials that require electrical, mechanical, or fire & safety code changes to storage areas, will not be allowed.
7. Owner representatives shall have the right to inspect cartons and stockrooms to ensure only approved materials are being used and are properly stored.
8. Storage areas will be assigned by Community Center Supervisors.
9. All Contractor owned materials, and equipment must be removed upon termination of this contract.

C. Material Safety

The contractor shall provide product information to the Facility Manager and samples if requested, for all applicable cleaning products. The contractor shall furnish Material Safety Data Sheets (MSDS) and an employee safety manual covering a Hazard Communication Program, a Hazard Assessment Plan and an Exposure Control Plan. A copy of these materials is to be kept in each building covered in this specification. The City shall approve any changes in products utilized and the Contractor shall supply proper new MSDS sheets if approved.

D. Tools and Equipment

Contractor shall furnish and use only tools and equipment in good working condition and bearing Underwriters Laboratory® seal. Tools and equipment that is improper, poorly maintained or unsafe shall not be used at any of the Owner's properties. All mops, brooms, sweeping tools, ladders, etc. shall be equipped with non-marking rubber, vinyl or plastic tips on the ends of the handles and/or feet to prevent marking or scarring of walls and other surfaces they may contact.

8. MATERIALS SPECIFICATION

A. Specific Materials – General

See attached Appendices for cleaning products unique to individual Community Centers.

B. Cleaners

Toilet bowl and urinal cleaners must clean, deodorize, disinfect, and be fully inhibited to protect pipes and metal against corrosion and be safe to contact with human skin. Unless otherwise noted, floor and surface cleaners shall be a germicidal or disinfectant solution. All floor finishes and dust treatments shall be approved by Underwriters Laboratory® (UL) for safety and slip-resistant quality. No materials will be used which will cause damage to the surface it is intended to clean.

C. Carpet Cleaner

Carpet cleaners must be a liquid extraction cleaner concentrate for carpets containing detergents, optical brighteners and corrosion inhibitors. Product shall not leave a residue on carpets or require rinsing after extraction.

9. AREAS TO BE SERVICED BY CONTRACTOR

A. General

The contractor shall keep office areas, restrooms, corridors and building exteriors, and grounds in the listed buildings, attractive and sanitary. The Contractor shall employ materials, equipment and "best industry practices" that give the best results with minimum danger to furnishings, property and personnel. Routine Custodial Services such as stripping, refinishing and carpet cleaning will be the responsibility of the Contractor to schedule with the Community Center Supervisor and shall be included in the Base Bid on the Bidder's Proposal. Unused areas do not require daily cleaning. See Appendix "A" for details regarding Routine Custodial Services.

B. Rest Rooms, Locker Rooms & Showers

All restrooms, locker rooms & showers are to be cleaned and sanitized once per day. Community Center Supervisor's may request additional daily cleaning, this time may be charged against the building base hours.

C. Gymnasium, Multipurpose and Athletic Floors

These floors shall be swept and dry mopped daily, including weekends when scheduled.

D. Snow & Ice Control

Contractor shall shovel snow and salt walkways at all doorways as noted on building drawings. Snow removal and ice control shall be priority over general cleaning. Snow and Ice Control can be charged to normal work hours.

E. Building Exteriors & Grounds

Areas where trash and debris is to be picked up daily will include parking areas, dumpster locations, sidewalks and other areas within 30 feet of the perimeter of each Community Center. All exterior doorways, windows, lights and general surroundings within reach; shall be kept clean and cobweb free.

F. Change Light Bulbs

Contractor shall change all light bulbs within reach in all building areas. This shall include offices, restrooms, hallways, exterior soffits, breezeways, mechanical rooms and storage areas. Contractor shall place used bulbs in proper bulb recycling area.

10. PERFORMANCE & SCHEDULE

A. Time Frame for Performance of Work

Routine custodial maintenance shall be scheduled during normal daytime hours as they appear in the

Appendices. Cleaning operations such as carpet cleaning, can be scheduled during off hours with approval of the Community Center Supervisor. Periodic cleaning must receive prior approval by the Community Center Supervisor and shall be scheduled not to interfere with normal building activities.

B. Extent of Service

Services that shall be considered Routine Custodial Services and shall be provided are as indicated in Appendix "A."

C. Recycling

The City of Racine participates in State Mandated recycling in compliance with local ordinances. Cardboard is deposited near the recycling containers on all floors of all buildings. It is the responsibility of the contractor to collect all cardboard and move it to a central location in each building as designated by the Community Center Supervisor. The contractor shall flatten all cardboard and maintain it in a clean and neat condition for pickup. All recycled materials are the property of the City of Racine.

D. Waste Removal

Trash and solid waste shall be placed in appropriate waste containers daily.

- a. Community Center Supervisors will specify location of waste containment.
- b. Contractor shall clean up any trash around waste containers.
- c. Waste containment areas that are gated and or locked, must always be secure

11. QUALITY CONTROL

A. General

This section outlines the inspection and evaluation procedures for the quality of custodial and cleaning service. It is intended to serve as a guide for maintaining a sound, attractive and safe environment in buildings and to determine if the Contractor is performing the custodial service function in strict accordance with the terms and conditions of these specifications.

B. Monthly Meeting

The cleaning supervisor shall hold monthly meetings with each Community Center Supervisor. The purpose of these meetings is to review the quality of the services being provided.

C. Complaint Forms

The Contractor shall supply the City with a standardized complaint form to report deficiencies or concerns with cleaning services. These forms will be made available to the Community Center Supervisors. Completed forms will be submitted by PRCS to the Contractor for action. Within two business days, the Contractor shall make a written response on the complaint form, return it to PRCS, and take the required corrective action.

D. Penalties for Unsatisfactory Performance

When service is skipped or left incomplete, or the nature of the neglect is such that the area cannot be used until the work is complete, and where the Contractor is unable or unwilling to make immediate correction, PRCS shall make the necessary correction with any available resources. Contractor shall be penalized the direct cost plus 15% of the direct cost or a minimum of One Hundred Dollars (\$100) per day, whichever is greater for the correction. The penalty will be deducted from the next billing cycle.

E. Penalties for False Alarms

If Contractor personnel activate any alarm system in error and PCRS is billed, the bill will be the responsibility of the Contractor. The billed amount will be deducted from the next billing cycle.

F. Termination

Should the work being performed under this contract be deemed unsatisfactory by the City of Racine, the City shall give the Contractor written notice to cure such unsatisfactory work. If such work continues in an unsatisfactory manner, then the City may terminate the contract on twenty (20) day written notice. Payments shall be made to the Contractor for work done up to the date of termination, subject to deduction in accordance with Section 11(D). (*Penalties for Unsatisfactory Performance*).

12. PAYMENTS

A. Payment for Work

Payments shall be made monthly. The monthly payment shall be for actual contract hours provided. Billing shall include only the Lump Sum rate as listed on the Bidder's Proposal. Special event billings shall be separate; however, may be submitted in the same billing cycle.

B. Payment Timing

The City shall guarantee payment within thirty (30) days of receipt of request for payment subject to all required work being completed and proper documents submitted for that pay period.

C. Time Recording

The Contractor shall record all employee work time. Weekly time sheets shall be submitted to the Community Center Supervisor by the Contractor verifying the actual hours worked by each employee. The Contractor shall also submit a monthly payroll summary report indicating employee name and hours worked with a weekly tally of the hours worked. Hours charged to the Community Center must be specified.

13. BIDDING

The Contractor shall state on the Bidder's Proposal form the annual cost for providing the Base Hours per week for Routine Custodial Services as they are specified within this specification and **Appendix A**. The man-hours stated in the appendices are a minimum number of hours required on a weekly basis for the completion of the Routine Custodial Services as defined in the specifications.

The Contractor shall state on the Bidder's Proposal form (Mandatory Supplementary Unit Price Bid) the cost for providing the services outlined. These services include a per unit cost for performing tasks in specific areas as requested by the Community Center Supervisor on an as-needed basis.

END OF DETAILED SPECIFICATIONS

14. PUBLIC RECORDS

Proposers are hereby notified that all information submitted in response to this IFB may be made available for public inspection according to the Public Records Law of the State of Wisconsin or other applicable public record laws. Information qualifying as a "trade secret" defined in State of Wisconsin Statutes may be held confidential. Proposers shall seal separately and clearly identify all information they deem to be "trade

secrets," as defined in the State of Wisconsin Statutes. Do not duplicate or co-mingle information, deemed confidential and sealed, elsewhere in your response.
S. 19.36(5)

The City cannot ensure that information will not be subject to release if a request is made under applicable public records laws. The City cannot consider the following confidential: a bid in its entirety, price bid information, or the entire contents of any resulting contract. The City will not provide advance notice to proposers prior to release of any requested record. To the extent permitted by such laws, it is the intention of the city to withhold the contents of proposals from public view until such times as competitive or bargaining reasons no longer require non-disclosure, in the City's opinion. At that time, all proposals will be available for review in accordance with such laws.

Email: publicrecords@cityofracine.org

15. INDEMNIFICATION & INSURANCE REQUIREMENTS

Indemnification

To the fullest extent allowable by law, Contractor hereby indemnifies and shall defend and hold harmless the City of Racine, its elected and appointed officials, officers, employees or authorized representatives or volunteers and each of them from and against any and all suits, actions, legal or administrative proceedings, claims, demands, damages, liabilities, interest, attorneys' fees, costs, and expenses of whatsoever kind or nature whether arising before, during, or after completion of the work hereunder and in any manner directly or indirectly caused, occasioned, or contributed to in whole or in part or claimed to be caused, occasioned, or contributed to in whole or in part, by reason of any act, omission, fault, or negligence, whether active or passive, of Contractor or of anyone acting under its direction or control or on its behalf in connection with or incident to the performance of this Agreement regardless if liability without fault is sought to be imposed on the City of Racine, Contractor's aforesaid indemnity and hold harmless agreement shall not be applicable to any liability caused by the sole fault, sole negligence, or willful misconduct of the City of Racine, or its elected and appointed officials, officers, employees or authorized representatives or volunteers. This indemnity provision shall survive the termination or expiration of this Agreement.

In any and all claims against the City of Racine, its elected and appointed officials, officers, employees or authorized representatives or volunteers by an employee of Contractor, any subcontractor, or anyone for whose acts any of them may be liable, the indemnification obligation under this paragraph shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for the Contractor or any subcontractor under Worker's Compensation Acts, Disability Benefit Acts, or other employee benefit acts.

No provision of this Indemnification clause shall give rise to any duties not otherwise provided for by this Agreement or by operation of law. No provision of this Indemnity clause shall be construed to negate, abridge, or otherwise reduce any other right or obligation of indemnity that would otherwise exist as to the City of Racine, its elected and appointed officials, officers, employees or authorized representatives or volunteers under this or any other contract. This clause is to be read in conjunction with all other indemnity provisions contained in this Agreement. Any conflict or ambiguity arising between any indemnity provisions in this Agreement shall be construed in favor of indemnified parties except when such interpretation would violate the laws of the state in which the job site is located. Contractor shall reimburse the City of Racine, its elected and appointed officials, officers, employees or authorized representatives or volunteers for all legal

expenses and costs incurred by each of them in connection therewith or in enforcing the indemnity herein provided. Contractor's obligation to indemnify shall not be restricted to insurance proceeds, if any, received by the City of Racine, its elected and appointed officials, officers, employees or authorized representatives or volunteers.

Insurance Requirements

The Contractor shall not commence work under a contract until he has obtained all insurance required under this paragraph and has filed certificates thereof with the Owner, nor shall the Contractor allow a Subcontractor to commence work until all similar insurance required has been so obtained and filed with the Contractor. Unless otherwise specified in this Agreement, the Contractor shall, at its sole expense, always maintain in effect during the performance of the Work, insurance coverage with limits not less than those set forth below with insurers and under forms of policies set forth below.

Worker's Compensation and Employers Liability Insurance - The Contractor shall cover or insure under the applicable labor laws relating to worker's compensation insurance, all their employees in accordance with the law in the State of Wisconsin. The Contractor shall provide statutory coverage for work related injuries and employer's liability insurance with limits of \$1,000,000 each accident, \$1,000,000 disease policy limit, and \$1,000,000 disease each employee.

Commercial General Liability and Automobile Liability Insurance - The Contractor shall provide and maintain the following commercial general liability and automobile liability insurance:

Coverage – Coverage for commercial general liability and automobile liability insurance shall be at least as broad as the following:

- a) Insurance Services Office (ISO) Commercial General Liability Coverage (Occurrence Form CG0001)
- b) Insurance Services Office (ISO) Business Auto Coverage (Form CA0001), covering Symbol 1 (any vehicle)

Limits -The Contractor shall maintain limits no less than the following:

- a) General Liability - One million dollars (\$1,000,000) per occurrence (\$2,000,000 general aggregate if applicable) for bodily injury, personal injury and property damage. If Commercial General Liability Insurance or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to the project/location (with the ISO CG 2503, or ISO CG 2504, or insurer's equivalent endorsement provided to the City of Racine) or the general aggregate including product-completed operations aggregate limit shall be twice the required occurrence limit.
- b) Automobile Liability- One million dollars (\$1,000,000) for bodily injury and property damage per occurrence limit covering all vehicles to be used in relationship to the Agreement.
- c) Umbrella Liability- One Million dollars (\$1,000,000) for bodily injury, personal injury and property damage per occurrence more than coverage carried for Employers' Liability, Commercial General Liability and Automobile Liability as described above.

Required Provisions - The general liability and automobile liability policies are to contain, or be endorsed to contain, the following provisions:

- a) The City of Racine, its elected and appointed officials, officers, employees or authorized representatives or volunteers are to be given additional insured status as respects liability arising out of activities performed by or on behalf of the Contractor; on products and completed operations of the Contractor; for premises occupied or used by the Contractor; and on any vehicles owned, leased, hired or borrowed by the Contractor.
- b) The coverage shall contain no special limitations on the scope of protection afforded to the City of Racine, its elected and appointed officials, officers, employees or authorized representatives or volunteers.
- c) For any claims related to this project, the Contractor's insurance shall be primary insurance as respects the City of Racine, its elected and appointed officials, officers, employees or authorized representatives or volunteers. Any insurance, self-insurance, or other coverage maintained by the City of Racine, its elected and appointed officials, officers, employees, or authorized representatives or volunteers shall not contribute to it.
- d) Any failure to comply with reporting or other provisions of the policies including breaches of warranties shall not affect coverage provided to the City of Racine, its elected and appointed officials, officers, employees or authorized representatives or volunteers.
- e) The Contractor's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.
- f) Each insurance policy required by this agreement shall state, or be endorsed to state, that coverage shall not be canceled by the insurance carrier or the Contractor, except after sixty (60) days (or 10 days for non-payment of premium) prior written notice by U.S. mail has been given to the City of Racine.
- g) Such liability insurance shall indemnify the City of Racine, its elected and appointed officials, officers, employees or authorized representatives or volunteers against loss from liability imposed by law upon, or assumed under contract by, the Contractor for damages on account of such bodily injury (including death), property damage, personal injury, completed operations, and products liability.
- h) The general liability policy shall cover bodily injury and property damage liability, owned and non-owned equipment, blanket contractual liability, completed operations liability with a minimum of a 24-month policy extension, explosion, collapse, underground excavation, and removal of lateral support and shall not contain an exclusion for what is commonly referred to by the insurers as the "XCU" hazards. The automobile liability policy shall cover all owned, non-owned, and hired vehicles. All the insurance shall be provided on policy forms and through companies satisfactory to the City of Racine and shall have a minimum A.M. Best's rating of A-VII.

Deductibles and Self-Insured Retentions - Any deductible or self-insured retention must be declared to and approved by the City of Racine. At the option of the City of Racine, the insurer shall either reduce or eliminate such deductibles or self-insured retentions.

Evidence of Insurance - Prior to execution of the agreement, the Contractor shall file with the City of Racine a certificate of insurance (Acord Form 25-S or equivalent) signed by the insurer's representative evidencing the coverage required by this agreement. Such evidence shall include an additional insured endorsement signed by the insurer's representative. Such evidence shall also include confirmation that coverage includes or has been modified to include all required provisions a-h.

Responsibility for Work - Until the completion and final acceptance by the City of Racine of all the work under and implied by this agreement, the work shall be under the Contractor's responsibility care and control. The Contractor shall rebuild, repair, restore and make good all injuries, damages, re-erections, and repairs occasioned or rendered necessary by causes of any nature whatsoever.

Sub-Contractors - If the Contractor employs other contractors (subcontractors) as part of the work covered by this agreement, it shall be the Contractor's responsibility to require and confirm that each sub-contractor meets the minimum insurance requirements specified above.
