RE: SPECIAL REPORT
TOBACCO COMPLIANCE CHECKS, 11-10-09

Dear Ms. Johnson-Martin,

On November 10, 2009, Investigator Nicholas Groth was assisted by a 16 year old minor volunteer in conducting tobacco compliance checks in the City of Racine. They were able to check 29 establishments in the City. Out of the 29 inspections completed, two of the establishments sold tobacco to the underage volunteer. One of the establishments checked was closed at the time of the check. Four citations were issued as a result of this set of compliance checks, two to the clerks and two to the agents.

The establishments checked were all notified by mail of the compliance check per the Wisconsin WINS agreement.

(Businesses in *italics and bold*, were not in compliance.)
