

ARTICLE IV. - PARKING METERS

Sec. 94-241. - Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Park or parking means the standing of a vehicle, whether occupied or not, upon a street otherwise than temporarily for the purpose of, and while actually engaged in, receiving or discharging passengers or loading or unloading merchandise or in obedience to traffic regulations, signs or signals or an involuntary stopping of the vehicle by reason of causes beyond the control of the operator of the vehicle.

Parking meter means any device or meter not inconsistent with this article placed or erected for the regulation of parking by authority of this article. Each parking meter installed shall indicate by proper legend the legal parking time established by the city and when operated shall at all times indicate the balance of legal parking time, and at the expiration of such period shall indicate illegal, expired or overtime parking.

Parking meter space means any space within a parking meter zone adjacent to a parking meter, and which is duly designated for the parking of a single vehicle by lines painted or otherwise durably marked on the curb or on the surface of the street adjacent to or adjoining the parking meters.

Parking meter zone means any street upon which parking meters are installed and in operation.

Sec. 94-243. - Parking at 90 degree to roadway, Schedule M.

The following areas are designated for parking at 90 degrees to the roadway:

(Ord. of 8-16-05)

Sec. 94-244. - Designation of spaces.

The department of transportation shall mark off individual parking meter spaces in the parking meter zones by lines painted or durably marked on the curbing or surface of the street. At each space so marked off, no person shall park any vehicle in such a way that the vehicle shall not be entirely within the limits of the space so designated.

(Code 1973, § 27.22.030)

Sec. 94-245. - Altering zones prohibited.

No person shall alter or extend any painting or removing of paint, or by any other means, any parking meter space in any parking meter zones without the express permission of the common council.

(Code 1973, § 27.22.040)

Sec. 94-246. - Installation and maintenance.

In parking meter zones, the traffic engineer shall cause parking meters to be installed upon the panel area or sidewalk immediately adjacent to the parking meter spaces, such installation to be placed not more than two feet from the curb nor more than four feet from the front or back line of the parking space. The traffic engineer will be responsible for maintenance, control and regulation of the parking meters. Each device shall be so set as to display a signal showing legal parking upon the deposit of the appropriate coin or coins, lawful money of the United States, for the period of time prescribed by this article. Each device shall be so arranged that upon the expiration of the lawful time limit it will indicate by a proper visible signal that the lawful parking period has expired and in such cases the right of such vehicle to occupy such space shall cease and the operator, owner, possessor or manager thereof shall be subject to the penalties provided in this article.

(Code 1973, § 27.22.050)

Sec. 94-247. - Operation of meters.

Except in a period of emergency determined by an officer of the fire or police department, or in compliance with the directions of a police officer or traffic control sign or signal, when any vehicle is parked in any parking meter space, the operator of such vehicle shall, upon entering the parking meter space, immediately deposit or cause to be deposited in the meter such proper coin of the United States as is required for such parking meter, and which is designated by proper

directions on the meter, and failure to deposit such proper coin shall constitute a violation of this article. Upon the deposit of such coin, the parking space may be lawfully occupied by such vehicle during the period of time which has been prescribed for the part of the street in which such parking space is located, provided that any person placing a vehicle in a parking meter space adjacent to a meter which indicates that unused time has been left in the meter by the previous occupant of the space shall not be required to deposit a coin so long as his occupancy of the space does not exceed the indicated unused parking time on the meter. If the vehicle shall remain parked in any such parking space beyond the parking time limit set for such parking space, and if the vehicle shall indicate such illegal parking, such vehicle shall be considered as parking overtime and beyond the period of legal parking time, and such parking shall be deemed a violation of this article.

(Code 1973, § 27.22.060)

Sec. 94-248. - Time limits.

Parking or standing a vehicle in a designated space in a parking meter zone shall be lawful upon the deposit of a coin of the United States government at the rate for on-street parking as established by the common council.

(Code 1973, § 27.22.070; Ord. No. 10-92, pt. 1, 4-8-92; Ord. No. 2-97, pt. 5, 2-19-97; Ord. No. 9-04, pt. 2, 4-7-04)

Sec. 94-249. - Hours of operation.

Parking meters shall be operated in parking meter zones every day between the hours of 8:00 a.m. and 6:00 p.m., except Sundays and holidays.

(Code 1973, § 27.22.080)

Sec. 94-250. - Violations.

(a) It is unlawful and a violation of the provisions of this article for any person to:

- (1) Cause, allow, permit or suffer any vehicle to be parked overtime or beyond the period of legal parking time established for any parking meter zone, or to deposit in any parking meter any coin for the purpose of parking beyond the maximum legal parking time for the particular parking meter zone.

(2) Permit any vehicle to remain or be placed in any parking meter space while the meter is displaying a signal indicating that the vehicle occupying such parking space has already been parked beyond the period prescribed for such parking space.

(3) Park any vehicle across any line or marking of a parking meter space or in such position that the vehicle shall not be entirely within the area designated by such lines or markings.

(b) With respect to subsections (a)(1), (2) and (3) of this section, every vehicle owner shall be held responsible and liable for all parking tickets accumulated by anyone using such motor vehicle with the consent of the owner.

(Code 1973, § 27.22.090; Ord. No. 13-95, pt. 13, 8-15-95)

Sec. 94-251. - Enforcement of article.

It shall be the duty of the police department and the department of transportation to enforce the provisions of this article.

(Code 1973, § 27.22.100)

Sec. 94-252. - Collections.

It shall be the duty of the traffic engineer to designate an employee or employees of the parking system to make regular collections of the money deposited in parking meters, and it shall be the duty of such persons so designated to remove from the parking meters the coins deposited and to deliver to the city treasurer the funds contained therein. Such employee or employees shall be bonded in the amount of \$5,000.00.

(Code 1973, § 27.22.110)

Sec. 94-253. - Use of funds.

The coins deposited in parking meters shall be deposited by the finance director in parking revenue accounts as designated by the common council.

(Code 1973, § 27.22.120)

Sec. 94-254. - Damage to parking meter.

It is unlawful and a violation of the provisions of this article for any person to deface, injure,

tamper with, open or wilfully break, destroy, or impair the usefulness of any parking meter.

(Ord. No. 13-95, pt. 14, 8-15-95)

Sec. 94-255. - Fraud of parking meter.

It is unlawful and a violation of the provisions of this article for any person to deposit or cause to be deposited in any parking meter any slugs, device, plastic or metal substance, or other substitute for lawful coins.
