

City of Racine Board of Health
September 11, 2012

DEPARTMENT: Administration Division
PREPARED BY: Dottie-Kay Bowersox, MSA
MONTH: August 2012

Highlights

| Date | Meeting | Purpose | Outcome |
|-------------------------------------|-------------------------------------|---|---|
| May 2011 through 2012 | HD Budget | Develop Individual Budgets for Every HD Program / Service | Exceedingly time consuming endeavor that will enable HD Personnel to enhance their current facilitation of finances / programs and will be phased into the HD's organizational plan. All formats have been developed and approved by City finance. |
| July 2011 through 2012 | Committee of the Whole | Presentation for Proposed Tobacco Ordinance | This item has not yet been rescheduled for further review / discussion by the Committee of the Whole. |
| November 2010 through December 2012 | Animal Control | Provide an Overview to Date of Animal Control Efforts | Communication continues with the selected collaborators. |
| April 2012 through 2012 | Urban Chickens | Continue with City Ordinance Recommendations | Several community members have contacted the HD to continue discussions on this issue. |
| January 2012 through 2012 | Update / Revise HD Job Descriptions | Continuation of this Process | Research / review / update all HD positions. This is an ongoing project. |
| January 2011 through December 2012 | Animal Licensing and Regulations | Discuss Opportunities as a County on the Reporting of Rabies Vaccinations | Develop a plan to process animal licenses and potential collaboration of rabies vaccination notification. In addition, revise the City of Racine's animal control ordinances. This is a complicated process. |
| March 2012 through October 2012 | City Maintenance | Discussing Cleaning / Products | Determine appropriateness of current cleaning schedules, products, and policies. New recommendations have been presented. |

| | | | |
|---------------|---|--------------------------|--|
| July 17, 2012 | Child Death Review (CDR) / Fetal Infant Mortality Review (FIMR) | Determine Sustainability | The three Racine County Health Departments, County Representatives, and the Children's Alliance met to discuss the framework for a potential FIMR project. In addition, the CDR Team met to review / discuss cases of child deaths in Racine County. |

PROGRAMS: Wisconsin Well Woman Program of Racine County, Greater Racine County Mammogram Coalition (Susan G. Komen Grant), Racine County Breast and Cervical Health Fund (Scholarship Program)

PREPARED BY: Sarah Clemons, CHES, Public Health Educator II

Highlights

| Date | Meeting | Purpose | Outcome |
|----------------|---|---|--|
| August 7, 2012 | Greater Racine County Mammogram Coalition | Discuss the efforts of the Coalition partners | Partners provided an update regarding program goals. They also had an opportunity to ask questions and present concerns regarding the grant and the program. This meeting allows partners to share ideas and solve problems in a constructive way. |
| August 9, 2012 | Teleconference with Wisconsin Well Woman Program (WWWP) | Receive information about the future of WWWP | Provided information about the new 5 year cooperative agreement with the CDC which began on June 30, 2012. Received \$3.1 million which is "level" funding from previous years. Women in Racine County depend on WWWP and the continuation of this program. |
