RE: Proposal for Storm Water Drainage Analysis

We have received a proposal from Earth Tech for Storm Water Drainage Analysis at DeKoven Avenue and Hickory Grove Avenue. The proposal is in the not-to-exceed amount of \$19,200. It is for storm drainage investigation in the above area due to excessive storm water ponding. Funding is available in Account No. 104.986.5420, Storm Sewers-Variou Locations.

If the Committee agrees, the appropriate action would be to approve the proposal and authorize the Mayor and City Clerk to enter into the agreement.
