Re: Approval to install sign above sidewalk

Address: 920 S. Memorial Drive, Racine, WI

I am requesting approval to install a sign to the face of our warehouse at 920 S. Memorial Drive. I have discussed the sign parameters with the Building Department and City Development. The sign will be 4 feet wide and 6 feet tall, it will be a lighted box (2 sides) and the bottom will start at approximately 11 feet above the curb. The sign will overhang the ~~building~~<sup>sidewalk</sup> the full width which is 4 feet. Thank you for your consideration.
