TO: Alderman Ron Hart, Chairman  
Public Works and Services Committee

FROM: John Rooney  
Assistant Commissioner/Engineering

RE: Proposal for Construction Management Services for Pritchard/Reservoir  
Park Pond Retrofit

We have received a proposal from Earth Tech for the construction management of Pritchard/Reservoir Park Pond Retrofit in the not-to-exceed amount of \$40,120. This work includes excavation, grading, installation of storm sewer, construction of outlet structures, landscaping and appurtenances at both parks. Funding is available in Account #104.985.5420, Storm Sewers, Misc. Locations.

If the Committee agrees, the appropriate action would be to approve the proposal and authorize the Mayor and City Clerk to enter into the agreement.
