

Amendment to Alcohol Beverage License Application

I have applied for an alcohol beverages license with the City of Racine, and would like to amend my license application as follows:

- 1) Premises description shall state, "First floor building and fenced in patio," to exclude the second floor at this time.
- 2) Given the B1 zoning restrictions for this property, we will not have any live entertainment on the premises, including but not limited to any DJs.

I understand that the above amendments will be incorporated as part of my license application and business plan, and that I will be required to abide by and operate according to the above terms, if my license is approved.

Dated this 3 day of August, 2023.
