

I would like to reserve the Pershing Skate Park for my annual Bike Jam. I would appreciate it if the 300 dollar rental fee could be waived for this event. I have dedicated over 12 years of volunteer work at the skate park. I feel that with all the work, time and effort I put into the park that you would again consider waiving the rental fee for me. This bike jam has been an annual tradition for over ten years and brings a safe and friendly environment for all who come. Both the bikers and skateboarders' of the greater Racine area really enjoy and look forward to the jam. I fear that if the fee cannot be waived that I will not be able to hold the jam again this year.

Thanks again  
Kuko Padilla
