Subject: FW: Your request for traffic controls

Hi JJ and Nancy,

Please submit to the Traffic Commission the request Michael Maxwell for a Yield sign to be installed on Graham Street at the intersection of Mohr Avenue & Graham.

Although he may not be able to attend, please email Michael a copy of the agenda when his item is scheduled. I will attend on his behalf.

Thank you in advance.

Sandy:

Thank you for your response. I am interested in at least a yield sign put up on the graham street entrance to mohr avenue (west side of school near faculty parking lot). This is the area that is heavily traveled by neighborhood students and it is an uncontrolled intersection.

I would like it put forward to the commission, but I am in charge of the after school program.

 Hello Michael,

Yesterday I received in my alderman mailbox a copy of an email you had sent to the City of Racine Website in which you are requesting traffic controls at the intersection of Chicago Street & Mohr Avenue.

Your request should be submitted to the Traffic Commission, which I would be happy to submit on your behalf, however, I do need to know if you would be able to attend the commission meeting to present your request. The Traffic Commission meets once per month, on the third Monday @ 4 pm at City Hall. If I submit your request by Friday, it would be on the May 15th Traffic Commission agenda.

Please let me know if you would like me to submit your request. Also, if you have any questions or concerns, please don't hesitate to contact me. I am the alderman that represents the area in which McKinley School is located.

I apologize for how much time has gone by since you had sent your request. Please know that I received a copy of your email yesterday.

I am looking forward to working with you on this issue.

Best regards,
