City Engineer

Re: Final Resolution for Paving Assessable Streets.

A public hearing was held on Tuesday 4/29/25 for street improvements. A determination of the percentage of property frontage in support of or against the following individual street improvements will be made available on Monday 5/12/2025 for consideration by the 5/13/2025 Public Works & Services committee (PW&SC):

Dekoven Avenue	from Holborn St. to Clark St.
Jonathon Drive	from Cul-de-sac to N. Main St.
Elisa Drive	from Dead End to Ostergaard Ave.
Olive Street	from Indiana St. to Kentucky St.
Olive Street	from Illinois St. to Oregon St.
Kentucky Street	from Taylor Ave. to Cul-de-sac
Biscayne Avenue	from Princess Pl. to Duchess Dr.
St. Clair Street	from Lombard Ave. to Willmor St.

The PW&SC will consider each street separately based on data presented and then recommend action on the preliminary resolution to the Common Council on 5/20/25.

**Fiscal Note:** These are assessable city projects; all costs will be paid by the abutting property owners.
