Message	I have a concern regarding the parking near my business located @ 1100 douglas ave. There is 1 hr parking on the S.W. corner of douglas & prospect st. and np parking on the south sie of prospect street off of douglas ave west side. I can understand the parking when Greene Manf. was a thriving company but after being vacant for 10 years and turned into a storage facility. There are No offices or employees that work full time in this building, nor are there any deliveries to there. I find the parking restrictions are out dated and limiting our business that has stood the time
