RE: Amendment No. 2, Contract 14-09 (K9-014), PS – Design of Parks Paving Projects,
Nielsen Madsen & Barber, consultant

We have received Amendment No. 2 on the above contract. This is for Design Engineering Services for Lincoln Park Driveway, Flat Iron Square Parking Lot and West Racine Parking Lot. This amendment is to add topographic survey services, prepare plans, specifications and construction cost estimates for required pavement, drainage and erosion control improvements and to incorporate added improvements into the contract documents.

The amendment is in the amount of \$2,500 and funding is as follows:

<u>Account No.</u>	<u>Description</u>	<u>Amount</u>
988.700.5020	Lincoln Parking Lot	\$ 1,000.00
107.000.5750	Johnson Parking Lot	1,250.00
106.989.5750	Parking Lot Repairs	<u>250.00</u>
	Total	\$ 2,500.00

If the Committee agrees, the appropriate action would be to accept the amendment and authorize the Mayor and City Clerk to enter into the agreement.
