Honorable Mayor Cory Mason and the
Members of the Common Council
730 Washington Avenue
Racine, WI 53403

December 6, 2017

Ladies and Gentlemen:

Bids for Official Notice #23-2017, Medical Supplies for the Racine Fire Department and the Health Department, were opened in the Office of the Purchasing Agent on November 15, 2017 at 1:00 P.M. local time. The five (5) responsive bidders were Emergency Medical Products, Inc., Moore Medical Products, Bound Tree Medical, Lift Assist, Midwest Medical Supply Co., and Henry Schein.

The recommendation for award for the period starting January 1, 2018 through December 31, 2018 is by individual line item (shaded cells on spreadsheet attached) based on the following criteria:

1. Low bid per line item.
2. Lowest bid for a specific product if specified as no substitution allowed. No substitution items were specified because of the quality needed for certain items.
3. Some products are sole source; i.e. CPAP (continuous positive airway pressure)

I was greatly assisted in making this award recommendation by Division Chief Mark Villalpando of the Racine Fire Department and Bobbi Fergus of the Health Department. Their effort and expertise were invaluable to me in bringing this project to a successful conclusion.

Funding for this expense in FY2017 is \$105,000 in account 13001 53200

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "Kathryn Kasper", is written over a light blue circular stamp.
