

Park & Recreation Department

Nelson's Concessions

Owner: Bonnie Nelson

Our family has enjoyed working in the food industry for many years. Adam (son) began cooking in restaurants at age thirteen. He quickly worked his way up to sous chef and has enjoyed working under some of the areas best chefs. Dale & Bonnie(myself) spent years in concessions at Great Lakes Dragway, and occasionally still work at State Fair Park. I was employed 17+ years as a waitress/cook. After working at All Saints Hospital for 10+ years I became a medical assistant. I currently work as a care giver. Dale recently retired from Stybergs Engineering after 42 years of dedicated service.

Our family has lived in the Racine area for 34+ years. We now have the pleasure of opening a hot dog/concession business. Our goal is to serve high quality foods, utilizing locally produced ingredients, at a reasonable price. Our basic menu will include Chicago style hot dogs, regular hot dogs, and other pre-cooked meats. We will also offer chips, soda and water. We are interested in working baseball parks, small events and picnics. Times will depend on park & event schedules. At this time we are requesting permission to work at the following parks or any other recommended parks or locations:

Island Park
Humble Park
Lincoln Park
Crosswalk Park (East side of Main St. - between 3rd & 4th)

We look forward to serving Racine with integrity and pride. Thank you for your time and consideration.

Respectfully,

Bonnie, Dale & Adam Nelson
