Dear Mr. Jones,

St. Catherine's High School plans to host an Angel Block Party on Sunday, September 5, 2010 from 11 am to 4 pm on the grounds and streets around St. Catherine's High School. This will be a family picnic with food, beverages, games and music. We would like to close Park Avenue, between 12th and 13th Street from 10 am to 5 pm. This will be an alumni and reunion event for families, friends and students of St. Catherine's High School.

Please let me know of any other specific information you might require to grant permission for street closure. We look forward to working with you as we begin to plan our event for 2010.

Sincerely,

Celeste Henken
Director of Alumni Relations and Annual Fund
