RE: Polling Station Barriers

Tara

We truly look forward to providing you with the best possible solutions and delivering the very best in customer service. This quote is valid for 30 calendar days from date created.

MES is pleased to suggest the following pricing for the polling station barriers:

Polling Station Barriers	Red, white, and blue pipe	
	68" wide, 51" tall, 27" legs	
	Opening sized for "Badger Book"	
	2" gap under barrier for passing paperwork	
		Total - \$47,752.80 – qty 80 units

MES will always be available for design support, modifications, on-site support and engineering assistance. Our commitment to quality & customer service will always be evident in the products and services we provide.

Delivery:

Mashak Engineering Solutions to deliver (cost included in total price) all 80 completed units to a single point location delivery. Multi-point delivery is not available for this order.

In closing, I would like to thank you and the city of Racine for the opportunity to quote this effort and we look forward to providing you with the very best solution.

Sincerely,
Adam Gilmour
