Dear Tom,

Looking at my files, I see the contract between the City of Racine and the Racine Erickson Baseball Club for the use of Humble Southeast and Humble Southwest baseball fields has expired. On behalf of the Racine Erickson Baseball Club I am requesting that the contract / lease agreement be renewed in it's current state with the only exception being a yearly (1 year) renewable lease. This will give either party the flexibility to cancel the lease on a yearly basis.

As you are aware Erickson's Baseball has leased these fields the past 15+ years and has had a great working relationship with Mr. Jeff McDorman, Mr. Donnie Snow and yourself during that time.

I am of the understanding that Erickson's Baseball will have to appear before the City of Racine Park and Rec Committee to discuss this matter and am hoping that we have your support in this matter.

As I will be out of town for the scheduled meeting, Mr. Todd Hoover (U-12) has agreed to appear for our club. His address and phone # appear below.

Thank you for your assistance in this matter.
