Fax: 262-636-9545

(Direct Referral)

November 7, 2005

Mayor Gary Becker
and the Common Council
Racine, Wisconsin

Ladies and Gentlemen:

I would like to meet with the Public Works and Services Committee to request authorization to apply for Wisconsin Coastal Management Grant #2005-046. This grant, if received, would pay 15% (\$150,000.00) towards the acquisition and restoration of the former Racine Coast Guard Station.

The city share of 85% (\$825,000.00) will come from a future TIF District for the redevelopment of the Walker Manufacturing site.

Sincerely,

Thomas M. Eeg
Assistant Commissioner of Public Works
