Subject: Communication from the Director of City Development submitting an
Analysis of Impediments to Fair Housing Choice for the City of Racine

Dear Mayor Dickert and Honorable Council Members:

The City of Racine is required to maintain a current Analysis of Impediments to Fair Housing Choice as a condition for receipt of community development funds from the US Department of Housing and Urban Development. This department has prepared a new Analysis to replace the Analysis adopted by the Council in October 2007.

Please refer the Analysis of Impediments to the Community Development Committee and the Affirmative Action/Human Relations Commission for their review and recommendation.

Sincerely,

A handwritten signature in blue ink, which appears to read "Brian F. O'Connell", is positioned above the typed name.

Brian F. O'Connell
Director of City Development
