Re: Amendment to Chapter 94 of the Municipal Code.

We are submitting on behalf of Ald. Tate II the proposed amendment to the City of Racine Municipal Code Chapter 94 Article III – Stopping, Standing and Parking. More specifically Division 2 – Parking Regulations, Section 94-141 – No Parking Zones, Schedule F - (1) No Parking Anytime. We would like to **delete** the following item:

- 17th Street, north side from Phillips Avenue to 130' west of Phillips Avenue.

This request is to accommodate the Ventura Carpentry Shop, allowing them a place to legally park their vehicles while working. Every street surrounding the business has been posted as either No Parking or 2 to 4 hour restricted parking. The business does not have property to accommodate a parking lot.

The fiscal obligation for the City is the nominal cost of removing the two (2) Parking Restrictive signs and salvaging them for future use elsewhere.

If the Committee agrees, the appropriate action would be to approve the amendment to the Municipal Code as described.
