Submit: Support of Employment Services for individuals with Development Disabilities

Dear Mayor Dickert and Members of the Common Council:

Please consider my request that the City of Racine Support the State of Wisconsin, Legislature efforts to urge the Centers for Medicare and Medicaid Services to reconsider its Changes concerning participation in programs offered by facility-based day programs, Training centers, and sheltered workshops and permit individuals with disabilities to freely Choose the settings in which they wish to receive employment services. (Please see Attached resolution as sample).

I respectfully request that you forward my request to the appropriate committee for Consideration.

Thank you in advance for your consideration.
