     Please accept this donation in appreciation for all of the hard work you perform to care of the needy dogs and cats in our community.

We offered a special promotion through

Havahart Pets
6500 Washington Avenue
Racine, WI 53406

To insure the enclosed check has been received by the appropriate person, please send us a letter of confirmation. For tax purposes, the letter must state, "No Good or Services were exchanged for the donation.".

     Fromm Family Pet Foods, with the help of the above named store, has advertised a promotion intended to donate proceeds to your charity. You were chosen by the above store to be the beneficiary of the promotion

     Our hope is to introduce people to a family-owned, Wisconsin-grown pet food company that truly cares about the pets they feed. It is this family as well as this store's desire to help as many shelters and rescues at this time, when so many people are abandoning their companion animals due to the weak economy. I trust we have helped in a small way and I again thank you for your desire and concern for our four legged friends.
