RE: Change Order No. 1, Contract 14-14 (K4-014), 2014 CCTV Services

& Manhole Inspection, Green Bay Pipe and TV.

The above contract is for the addition of 45 days to the contract. This change order reflects moving the completion date from November 13th to December 30th, 2014. The contractor encountered extra investigation work that requires more time than the contract has provided. This delay does not result in any financial change.
