RE: Salt Cost for 2025-2026 Winter Season

Attached for your consideration is a communication from Racine County providing the salt costs for the Racine County Road Salt contract. The accepted bid for the 2025-2026 winter season was from Cargill Incorporated in the amount of \$88.75 per ton of road salt.

Staff recommends that the purchase of 7,000 tons, more or less, of Cargill Incorporated road salt for ice control for the 2025-2026 winter season be approved at the price of \$88.75 per ton.

Funding to defray the cost of this purchase is available in Org-Obj 14010-53200 Work supplies.
