Subject: Character Reference and Support for Maricella Rios

Dear Public Safety and Licensing Committee Members,

I am writing to express my support for **Maricella Rios** in her application for an alcohol beverage license. I am aware of her past convictions, and after working with Maricella, I believe she has demonstrated responsibility, professionalism, and a genuine commitment to making positive contributions to our community.

Maricella has been employed at **Mahoffers on Main** since **August 9, 2025**. During this time, she has upheld our business standards with reliability, honesty, and respect toward customers and coworkers.

In my opinion, Maricella has made significant progress since her offenses and is fit to hold an alcohol beverage license. I am confident her continued employment in the hospitality industry will reflect positively on the City of Racine.

Should you require additional information regarding Maricella's character or work history, please contact me at **1-262-800-1262**.

Sincerely,

A handwritten signature in cursive script, appearing to read "Nicole Brook", written over a horizontal line.
