Direct referral for the 07/31/18 PW&S committee:

Communication from Alderman of the 3rd district requesting an advisory referendum be placed on the November 2018 ballot asking: Do you support cannabis being legalized for adult and medical use, taxed and regulated like alcohol, with the proceeds from the taxes used to fund public education, healthcare, and infrastructure in Wisconsin?

I have invited a presenter to discuss the associated tax revenue and its use for infrastructure improvements, and answer any questions.
