Re: 2018 Energy Innovation Grant Award

Dear Cory Mason,

On behalf of Chairperson Lon Roberts of the Public Service Commission of Wisconsin (Commission), I am pleased to inform you that **City of Racine** has been selected to receive a 2018 Energy Innovation Grant in the amount of **\$78,000.00**. Your acceptance of this award will support the program objectives of positive changes to energy consumption and its cost to businesses and taxpayers, increased use of renewable energy and transportation technologies, comprehensive energy planning, and bolstered preparedness and resiliency in energy systems.

The project performance period begins on the date the contract is countersigned by the Commission and ends on **December 31, 2019**. *Any project costs incurred prior to the beginning of the project performance period will not be reimbursed.* Please sign and return to OEI@wisconsin.gov by **Friday November 16, 2018**.

Please direct any questions to your project manager, Vanessa Durant (Vanessa.Durant@wisconsin.gov), and copy Olivia Shanahan, Energy Grants Manager (Olivia.Shanahan@wisconsin.gov) when possible.

Additional guidance on the reporting requirements, including American Recovery and Reinvestment Act (ARRA) provisions, will be provided.

Thank you again for applying to the inaugural round of the 2018 Energy Innovation Grant Program.

Sincerely,

Theresa Elliott

Administrator
Division of Business & Program Management
Public Service Commission of Wisconsin
