Dear Mr. Snow:

I am working with a very special Multi Cultural Market Initiative called Soccer and Scouting here in Racine. We have built very good relationships within the Latino Community; specifically Liga de Amateur Futbol de Racine (LAFUR); a children, youth and adult (both women and men) soccer league. We are entering our second year of LAFUR utilizing our Scouting program, their numbers of youth served have continued to increase. We continue utilizing the ML King Center and Park High School for program activities, practice and inner league games and are grateful for support from the City of Racine and Racine Unified School District.

Last year the City of Racine granted our program of the Boy Scouts of America, a reduction of fees (50%) for the duration of the outdoor season. We are seeking the same waiver from May 5 – October 9, 2011. If our waiver is approved on your May 11, 2011 meeting, we ask that it become retroactive from May 5, 2011.

Thank you for your consideration in this matter. I look forward to other projects we can help positively impact the youth of Racine such as Eagle Scout projects and local adopt a park programs.

Regards,

Tom Turpin
District Director
