RE: Two-Party Agreement for Signal Interconnect & Signal Timing, 6th Street, North

We have received a two-party project agreement from the Wisconsin DOT for designing Signal Interconnect and Signal Timing on Project ID: 1693-49-02, 6th Street North to City Limits.

The design work, reimbursed by WisDOT, is in the not-to-exceed amount of \$69,016.72. Any local match in excess of this amount will be provided in the 2010 CIP.

If the Committee agrees, appropriate action would be to approve the agreement and authorize the Mayor and City Clerk to enter into the agreement.
