RE: Intergovernmental Bike Path Maintenance Agreement

The agreement is for the City of Racine to grant license and permission to Racine County to develop and use a portion of the City's road right-of-way on 21st Street from South Green Bay Road to Loni Lane, and on Loni Lane from 21st Street to Regency Drive for a recreation trail for hiking, biking, and cross-country skiing and other similar non-motorized recreational uses for use by the general public and for no other purpose.

If the Committee agrees, the appropriate action would be to authorize the Mayor and City Clerk to enter into the agreement.
