Re: Professional Services Agreement for a Retaining Wall Evaluation and Design Near  
the Intersection of Riverside Drive and Roe Avenue – Contract 41-13 (K3-046),  
Arnold & O'Sheridan Consulting Engineers

We have received a proposal from Arnold & O'Sheridan Consulting Engineers for the evaluation, design and estimates for an existing retaining wall in the alley near the intersection of Riverside Drive and Roe Avenue.

The proposal is in the not-to-exceed amount of \$12,900. Funding is available in Account 993.908.5010, Concrete Paving, Miscellaneous Locations.

If the Committee agrees, the appropriate action would be to approve the proposal and authorize the Mayor and City Clerk to enter into the agreement.
