Racine, WI 53403

Dear Mayor Becker and Common Council Members:

RE: 1112 Villa Street and 1501 West Street

The Racine Habitat for Humanity Board of Directors would like to know if the City of Racine would donate two properties located at 1112 Villa Street and 1501 West Street both located in Racine.

Racine Habitat for Humanity will build a home on each of these lots and sell the homes to low-income families with a no-interest mortgage.

Sincerely,

A handwritten signature in cursive script that reads "Jan Roland".

Board President
