RE: Proposal for 2007 Information Technology Consulting

We have received a proposal from Earth Tech for the 2006 Information Technology Consulting. The proposal is in the not-to-exceed amount of \$15,000 and funding is available in Account No. 101.130.5610, Professional Services. The proposal is for updating the Casual User Interface and systems integration.

If the Committee agrees, the appropriate action would be to approve the proposal and authorize the Mayor and City Clerk to enter into the agreement.
