RE: LICENSED PREMISE REPORT
May 2006

Dear Ms. Johnson-Martin,

The following report reflects calls for service regarding Licensed Premises which have been submitted to Investigator Jody Spiegelhoff.

Viper's Lounge 501 High Street

On 05-14-06 officers were working off-duty at 501 High Street. At approximately 0105 hours, a female was removed from the bar for causing a disturbance. Shortly after being removed, the female reentered the bar and attempted to get past security, which were the two off duty police officers in full police uniform. The female attempted to force herself past officers without success. The female took a boxers stance with the officers, attempting to fight them. The female was tased as a result of her hostile actions towards officers. This incident did cause a disturbance in the bar; causing several patrons to exit so they could watch the altercation. The female became completely cooperative with officers after she was tased. After she was taken to the Racine County Jail, the activity in the bar returned to normal, according to officer's reports. It should also be noted that an injury to officer form was punched as a result of this altercation.

There were no other noteworthy incidents during the month of May.

Alcohol and Tobacco Compliance Checks

No compliance checks were done during the month of May.

Sincerely

Dean Stanton
