Assistant Commissioner/Engineering

RE: Proposal for Victorian Drive Storm Water Drainage Improvements

We have received a proposal from Nielsen Madsen & Barber to provide civil design and surveying services and plans and specifications for the proposed Victorian Drive Storm Water Drainage Improvements from Emstan Hills Drive to Maryland Avenue. The proposal is in the not-to-exceed amount of \$29,850. It is for storm drainage investigation in the above area due to excessive storm water ponding. Funding is available in Account No. 104.988.5420, Storm Sewers-Variou Locations.

If the Committee agrees, the appropriate action would be to approve the proposal and authorize the Mayor and City Clerk to enter into the agreement.
