Re: Public Art

Dear Mayor Dickert and Common Council:

The Downtown Racine Corporation is sponsoring Racine's 10<sup>th</sup> Annual Public Art Project, Potsarazzi!, which will feature 60 decorated flowerpots with coordinating garden stakes.

We are requesting your approval to display the flowerpots on the sidewalks along Main and 6<sup>th</sup> Streets and Wisconsin Avenue as we have done in the past. The flowerpots will be placed in front of DRC member businesses who will bring the pots in and out each day (the pots will not be left on the sidewalks overnight).

We are also requesting approval to place a large 16 ft. flowerpot and iron sculpture flower display on Monument Square in the location that has been reserved for Downtown's annual Community Christmas Tree. This pot will remain on display until early November.

In a related subject, we are also requesting approval for the large chair from the 2009 Public Art Project, Sunny and Chair, to be placed on display at Crosswalk Park.

Thank you for your consideration and please keep me advised of any committee or Common Council meetings that we should attend.

Sincerely,

Devin Sutherland  
Executive Director
