Good Afternoon,

Correct, there is not outdoor portion of the restaurant and there is no basement storage or basement at all.

Thank you
Ms. Rios

Amber,

I spoke with Ms. Rios at today's GN meeting to clarify the premises description. There is currently no outdoor portion of the restaurant, so the premises description should state, "entire first floor building." As far as I am aware, there is no basement storage. Ms. Rios, please confirm the premises description with a responsive email, thank you.
