August 16, 2024

To Whom it May Concern:

Racine County Veteran's Services will be hosting a free resource event at Festival Hall on Saturday, October 12th, 2024. Our event will be geared towards the Veteran community, but all community members are welcome. The event will provide local resources for housing, legal services, financial literacy, employment, insurance, mobility, recreation and more!

Since we are anticipating a large crowd of participants, vendors and volunteers, we are hoping we can also partner with you, the city. We would like to request waived parking fees around the general vicinity of the Festival Hall and library from 8am-4pm on the day of the event (October 12).

We are hopeful the Stand Down will address many of the insecurities that face our community and help enhance the lives of all who live here.

Thank you for your time and consideration,

A handwritten signature in black ink that reads "Aimee Hooper".

Aimee Hooper
Assistant Racine County Veterans Service Officer
