Assistant Commissioner of Public Works/City Engineer

Re: Amendment No. 1 for Underground Facility Locating Services –
Precise Underground Marking Corporation, Contractor

We have received Amendment No. 1 from Precise Underground Marking Corporation, Milwaukee, WI, to provide underground facility locating services for the City-owned fiber optic and electrical systems. The amendment is for the extension of the existing contract with a per ticket price of:

- Prescreens - \$10.44
- Locates - \$13.34
- Site Visit/No Conflict - \$13.34
- Emergency During Business Hours (Clear/No Conflict/Site Visit/Locate) - \$13.34
- Emergency After Business Hours (Clear/No Conflict/Site Visit/Locate) - \$46.38
- Projects - \$29.00 per hour

This extension is from January 1, 2017 through December 31, 2017 and represents a 6% increase from the 2016 rates. However, the 2016 rates were unchanged from 2015, so this is a 3% increase annually. The estimated annual cost of these services is \$35,000. Funding is available in Org-Object 14012-52100, Lght-Professional Services.

If the Committee agrees, they should move to approve the amendment and authorize the Mayor and City Clerk to enter into the agreement.
