

8/21/19

City of Racine PRCS,

We wish to make a proposal to honor the late long time umpire Otis Jones. Otis was a friend to all softball players past and present. He was a legend at Island Park. The 2019 summer season is over and he was truly missed by all. It is our hope that we can memorialize him in some way by dedicating the South diamond to him with a plaque or perhaps a bench near the diamonds. We would gladly head up this effort to fund raise and be the first team to contribute. Our goal would be to at least raise enough for a plaque but ultimately enough for a bench. With your approval, we will get to work contacting teams and players wishing to remember Otis Jones.

Thank you,

Linda Yackley
