Re: Request for Qualifications (RFQ) Responses for Street Lighting and Building Lighting  
Energy Efficient Improvements for the City of Racine

As approved by the Common Council on March 15, 2016, I solicited RFQ's from three (3) Energy Services Companies (ESCO) for energy efficient improvements for Municipal Government. I contacted Honeywell, Siemens and Johnson Controls and gave them until the end of the business day on March 28, 2016 for their response to the RFQ.

Johnson Controls was the only company that responded to the RFQ. After review, I sent the proposed agreement from Johnson Controls to our purchasing agent who is currently negotiating with them.
