Legistar Item: 11-6291

TO: The Mayor and Members of the Common Council

FROM: Al Stanek  
Transit and Parking System Manager

SUBJECT: Request to Move the Bus Stop at South and Douglas

Request to remove the following bus stop at the recommendation of the BUS Operations Manager for improved efficiency and reduced liability exposure:

The Route 5 bus stop located at South and Douglas Ave is located too close to the corner and does not allow the bus enough room to pull out of traffic to board or de-board. We recommend that this stop be moved approximately 17 feet north to a utility pole.
