Re: Winter Closing of Rupert Blvd. Sidewalk

The purpose of this letter is to request that the City of Racine once again considers the closing of the Rupert Boulevard sidewalk. In past years, the city of Racine has afforded McKinley Middle School the opportunity to close off the south sidewalk of Rupert Blvd from Chicago Street west to the cemetery at the bottom of McKinley Hill. We make this request because it is extremely challenging to maintain this sidewalk during the winter months. Specifically, even with the significant amounts of sand and ice melt we are unable to keep the sidewalk clear, thus resulting in safety concerns for our students.

Please advise if you have questions relative to the above request. We can be reached at Jody.Cascio@rusd.org or 262-664-6166. We thank you for your ongoing support.

Sincerely,

A handwritten signature in black ink that reads "Jody Cascio". The signature is written in a cursive style with a long horizontal line extending from the end.
