Re: Additional Streets Lights for 2000 Block of Case Avenue

Greetings Mayor and Common Council Members:

Due to the unwanted and unsafe activity in our neighborhood of late, we find it necessary to safe guard ourselves in as many ways as possible. Therefore, we the concerned citizens and neighbors of the 2000 block of Case Avenue are requesting additional street lights. Additional lighting will emit a safe guard. We want to abate the unwanted and unsafe activity in the safest way possible.

Please reference us in regards to our request. Contact information: (262)634-1435,
