RE: Proposal for DeKoven Avenue and Hickory Grove Avenue Storm Sewer Design

We have received a proposal from Earth Tech for the design of new storm sewer on DeKoven Avenue from Hickory Grove Avenue to Jay Eye See and the intersection of DeKoven and Hickory Grove Avenue. The proposal is in the not-to-exceed amount of \$38,988. Funding is available in Account No. 104.987.5420, Storm Sewers, Misc. Locations.

If the Committee agrees, the appropriate action would be to approve the proposal and authorize the Mayor and City Clerk to enter into the agreement.
